- **What is the experience/added value you can bring?**

I have been volunteering in the school since 2016 when I was part of the team who put in place the extracurricular program in Berkendael. I volunteered in this team until 2020 and have recently applied to re-integrate it.

I have participated in the Languages Working Group of the APEEE in 2020-2021 where I focused on the L3 choices. Also on the topic of languages, I have created a parents' group called Babelia.

For the last year, I have been the (Co-)Coordinator of the Gifted Children Network (GCN) which is a subgroup of the Pedagogical Working Group (I have been volunteering in the CGN for several years).
